(A)

I have the honour to state that sanction was accorded in the G.O. cited above for the opening during the school year 1947-48 of an additional section with kannada as medium of instruction in Form I in the Government Secondary School for Girls, Bellary, and the employment of a Secondary Grade Teacher therefor for a period of one year. The additional section was opened on 1-12-47 and the present strength of the section is reported to be 20. As these pupils in the Kannada section will be promoted to form II, there is need for the opening of an additional section with Kannada medium of instruction in form II from the beginning of the school year 1948-49. The expected strength of the Kannada section in form II will be 20. I therefore request that Government may be pleased to sanction the opening of from the school year 1948-49 of an additional section with Kannada as medium of instruction in form II in the Government Secondary school for girls, Bellary and for the employment of a secondary grade teacher therefor during the school year 1948-49.
